Mr. Roy Angelo E. Gazo
Schools Division Superintendent
Division of Lanao del Norte
Tubod, Lanao del Norte

Dear Mr. Gazo,

The Integrated Performing Arts Guild of the MSU-IIT invites participants to its Masters Class in the pangalay as it celebrates its 40th anniversary in 2018. Guru Ligaya Fernando-Amilbangsa will facilitate the workshop.

What can be a more fitting celebration for the 40th than to have its Founding Chairman Amilbangsa, solely responsible for introducing the pangalay, now IPAG’s signature dance form. For her work in propagating this form, Amilbangsa was awarded the 2015 Ramon Magsaysay, the Asian equivalent of the Nobel.

The pangalay is the Philippines’ closest claim to classical dance.

The workshop will be held from April 28 to 30 with a culminating showcase in the MSU-IIT.

May we invite participants through a Memo Order from DepEd to join and learn from a workshop that will be a rare opportunity? (Applicants should have had dancing experience in this form as this is a Master’s course.)

Registration fee is P2,500.00 (This includes ID, poster, certificate and hand-outs)

Please contact our office and the Project Director Ms. Lilybeth Maranon, tel no. 09759104989 /
2224500 or email us (ipagarts@yahoo.com) or through our FB page www.facebook.com/ipagarts.

We would like to hear from you soon and Mabuhay!

Yours truly,

Steven P.C. Fernandez, DFA

PANGALAY

MASTER CLASS

The pangalay, the closest to a Philippine classical form linking us to Indian, Javanese, Thai, Burmese and Cambodian styles of classical dancing, presents the richest movement vocabulary. Its "pure" dancing is expressed in the slow, refined, meditative, elegant and almost hypnotic movements continuously flowing, seamlessly unfolding.

"Motion in stillness, stillness in motions"
