**MS. EMMALINDA E. DUHAYLUNGSOD**

Schools Division Superintendent  
Lanao del Norte Division  
Tubod, Lanao del Norte

**Ma'am:**

Greetings of peace!

The Philippine Science High School System in its mandate to provide scholarship to students with high aptitude in science and mathematics now welcomes applicants for the National Competitive Examination (NCE) on October 21, 2017.

In this regard, we would like to request that we be given the opportunity to visit the elementary schools in Lanao del Norte Division to present the details of our Scholarship Program to Grade 5 & 6 pupils. The visit will be done within the **month of July with 3-5 minutes** of presentation in the classroom.

We sincerely hope for the approval of this request and for your support by enjoining all elementary schools in your Division to participate in the Search for Philippine Science High School Scholars by encouraging the pupils to apply and take for the said exam. For more inquiries or details please contact 0998-571-6805 or email [pshscmregistrar@gmail.com](mailto:pshscmregistrar@gmail.com).

Thank you very much and more power!

Sincerely yours,

  
**ENGR. LORVI B. PAGOROGON**  
Campus Director
